CERTIFIED PUBLIC ACCOUNTANTS

REPORT OF INDEPENDENT AUDITORS

To the Board of Commissioners of the Housing Authority of the City of Camden:

Report on the Financial Statements

We have audited the accompanying financial statements of the Housing Authority of the City of Camden (the "Authority") as of and for the year ended December 31, 2020, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements, as listed in the accompanying table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the Authority's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1433 Hooper Avenue, Suite 329, Toms River, New Jersey 08753 www.novoco.com | 1 732.503.4257

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net position of the Authority as of December 31, 2020, and the changes in its net position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, required pension information and required other postemployment benefits information be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Authority's basic financial statements. The schedule of expenditures of federal awards is presented for the purpose of additional analysis as required by Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* and is not a required part of the basic financial statements. The accompanying financial data schedule is also not a required part of the basic financial statements and is presented for the purposes of additional analysis as required by the U.S. Department of Housing and Urban Development.

The schedule of expenditures of federal awards and financial data schedule are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and financial data schedule are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated March 21, 2022 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Authority's internal control over financial reporting and compliance.

Novognodac & Company LLP March 21, 2022

Toms River, New Jersey

MANAGEMENT'S DISCUSSION AND ANALYSIS

The Housing Authority of the City of Camden (the "Authority") management discussion and analysis is designed to (a) assist the reader in focusing on significant financial issues, (b) provide an overview of the Authority's financial activity, (c) identify changes in the Authority's financial position (its ability to address the next and subsequent year challenges), and (d) identify individual fund issues or concerns.

Since the Management's Discussion and Analysis ("MD&A") is designed to focus on the current year's activities, resulting changes and currently known facts, please read it in conjunction with the Authority's financial statements.

FINANCIAL HIGHLIGHTS

The Board of Commissioners and the Executive Director continue to work closely with the staff to implement cost containment measures, improve internal and external financial reporting, strengthen communication lines with all managers, and train property managers and pertinent staff in project-based budgeting, accounting & reporting.

Some reclassifications may have been made to prior year balances in order to present a clearer comparison between the financial positions and corresponding balances of the two years.

Here are some of the financial highlights for the changes in financial conditions:

- The Authority's unrestricted net position increased by \$2,869,824 during the year ended December 31, 2020.
- The Authority's unrestricted cash increased by \$2,647,225 during the year ended December 31, 2020. The increase is primarily the result of increases in operating revenues, decreases in accounts receivable and increases in accounts payable at year ended December 31, 2020.
- The Authority's current asset balance increased \$1,355,845 from December 31, 2019 to December 31, 2020. The change resulted from an increase in cash and cash equivalents of \$2,647,225 and increases in prepaid expenses of \$120,044, which was offset by decreases in tenant security deposits of \$25,325, and decreases in receivables of \$1,386,099.
- Operating revenues increased by \$2,780,060 from \$31,767,828 in 2019 to \$34,547,888 in 2020. This is primarily the result of increases in HUD operating grants of \$84,566 and other revenues of \$3,611,589 which were offset by decreases tenant revenue of \$658,478 and other government grants of 257,617. The increase in other revenues was driven mainly by the receipt of Branch Village developer fees and the sale proceeds from McGuire Gardens. The decrease in tenant revenues was the result of the sale of McGuire Gardens as rental income is no longer being collected from that site.
- Operating expenses of all Authority programs (excluding depreciation, extraordinary maintenance and housing assistance payments) increased \$2,054,667.

FINANCIAL HIGHLIGHTS (continued)

- Extraordinary maintenance decreased by \$294,595 in 2020. This is primarily the result of a reduction in demolition expenses incurred under the Choice Neighborhood Planning grant when compared to 2019.
- During 2020 operating revenues of \$34,547,888, net of operating expenses of \$34,025,517, provided operating income of \$522,371.
- Housing assistance payments increased \$1,822,148 (14%). The Authority had a large increase in the amount of unit months leased in 2020 compared to 2019.

AUTHORITY WIDE FINANCIAL STATEMENTS

The Authority-wide financial statements and notes thereto are designed to be corporate-like in that all business type activities are consolidated into columns that add to a total for the entire Authority.

These Statements include the <u>Statements of Net Position</u>, which is similar to a Balance Sheet. The Statements of Net Position reports all financial and capital resources for the Authority. The statements are presented in the format where assets plus deferred outflows of resources, minus liabilities plus deferred inflows of resources, equals "net position", formerly known as equity. Assets and liabilities are presented in order of liquidity, and are classified as "Current" (convertible into cash within one year), and "Non-current".

The Authority's focus on the Statements of Net Position is the "Unrestricted Net Position" which is designed to represent the net available liquid (non-capital) assets, net of liabilities, for the entire Authority.

Net Position (formerly equity) is reported in three broad categories:

- <u>Net Investment in Capital Assets</u>: This component of net position consists of all capital
 assets, reduced by the outstanding balances of any bonds, mortgages, notes or other
 borrowings that are attributable to the acquisition, construction, or improvement of those
 assets.
- Restricted Net Position: This component of net position consists of restricted assets, when
 constraints are placed on the asset by creditors (such as debt covenants), grantors,
 contributors, laws, regulations, etc.
- <u>Unrestricted Net Position</u>: Consists of net position that do not meet the definition of "Net Investment in Capital Assets", or "Restricted Net Position".

The Authority-wide financial statements also include the <u>Statements of Revenues</u>, <u>Expenses and Changes in Net Position</u> (similar to an Income Statement). These statements include operating revenues, such as rental income, operating expenses, such as administrative, utilities, maintenance, depreciation, and non-operating revenue and expenses, such as investment income and interest expense.

AUTHORITY WIDE FINANCIAL STATEMENTS (continued)

The focus of the Statements of Revenues, Expenses and Changes in Net Position is the "Change in Net Position", which is similar to Net Income or Loss.

The <u>Statements of Cash Flows</u> presents relevant information about the Authority's cash receipts and cash payments during the year. The Statements of Cash Flows also disclose net cash provided by, or used for operating activities, non-capital financing activities, and from capital and related financing activities.

FUND FINANCIAL STATEMENTS

Traditional users of governmental financial statements will find the fund financial statements presentation more familiar. The focus is now on major funds, rather than fund types. The Authority consists of exclusively enterprise funds. Enterprise funds utilize the full accrual basis of accounting. The enterprise method of accounting is similar to accounting utilized by business in the private sector. All of the activities of the Authority are reported in a single enterprise fund.

THE AUTHORITY'S PROGRAMS

Low Rent Public Housing – Under the Low Rent Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides operating subsidy and capital grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of household income. The Conventional Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to the Authority's properties.

Federal Low-Income Housing Tax Credit (LIHTC) Program - Through the privately managed properties, The Housing Authority of the City of Camden administers the federal Low-Income Housing Tax Credit (LIHTC) program for housing developments in the City of Camden. The LIHTC program is contained within § 42 of the Internal Revenue Code

(26 U.S.C. § 42) as a tax incentive program to stimulate investment in affordable housing. The LIHTC program provides incentives for developers to acquire rehabilitate and or build low- or mixed-income housing through the allocation of federal tax credits that can be used to reduce a project's federal taxes or sold to corporations or investor groups to raise equity for a project. The credits are purchased at a discount and represent a dollar-for-dollar reduction of tax liability. In the State of New Jersey, the LIHTC program plays a vital role in the creation and preservation of affordable rental housing by increasing the funding available to eligible projects that best meet the state's goals and requirements for affordable housing.

Housing Choice Voucher Program (Section 8 Program) – Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a housing assistance payment made to the landlord. The program is administered under an Annual Contributions Contract (ACC) with HUD. HUD provides annual contributions funding to enable the Authority to structure a lease that sets the participants' rent at 30% of household income.

THE AUTHORITY'S PROGRAMS (continued)

Capital Fund Program – Under the Capital Fund Program, the Authority receives grants from the Department of Housing and Urban Development, which are used primarily to maintain and improve the physical condition of its developments. The funds are also used to fund management improvements such as management information systems and tenant services. Included in the Capital fund Program is the HUD Choice Neighborhood Implementation Grant that supports the development of a comprehensive neighborhood revitalization plan, which focuses on directing resources to address three core goals: Housing, People and Neighborhood. To achieve these core goals, Camden communities developed for implementation a comprehensive neighborhood revitalization strategy, or Transformation Plan. The Transformation Plan is the guiding document for the revitalization of the public and/or assisted housing units while simultaneously directing the transformation of the surrounding neighborhood and positive outcomes for families.

Resident Opportunities and Self Sufficiency Program – A grant program funded by the Department of Housing and Urban Development that encourages economic self-sufficiency among the Authority's resident population.

<u>Veterans Affairs Supportive Housing Program</u> - The Housing Authority of the City of Camden has partnered with the Department of Veterans Affairs to offer Rental Assistance for homeless veterans. The HUD-Veterans Affairs Supportive Housing (HUD-VASH) voucher program combines HUD Housing Choice Voucher (HCV) Rental Assistance for homeless veterans with case management and clinical services provided by the Veterans Affairs (VA) at its medical centers and in the community. Visible goals of this program include addressing homelessness for veterans and ensuring needed case management services are provided by the VA to individuals to allow them to move to self-sufficiency.

<u>Youth Build Grant</u> – A grant program designed for the purpose of assisting at-risk youth between the ages of 16 and 24 to learn housing construction job skills and to complete their high school education.

<u>State/Local Programs</u> – Represents non-HUD resources developed from a variety of activities and funded by the state of New Jersey, the County of Camden or the City of Camden.

STATEMENTS OF NET POSITION

The following table reflects the condensed Statements of Net Position as of December 31, 2020 and 2019:

Net position, beginning of year	(1,817,567)	(5,491,442)	3,673,875	(67%)
Total net position, end of year	<u>\$ (686,378)</u>	<u>\$ (1,817,567)</u>	\$ 1,131,189	(62%)

MAJOR FACTORS AFFECTING THE STATEMENTS OF NET POSITION

- During 2020 capital assets, net, decreased by \$2,954,573, which is more fully described in the capital asset section of this report.
- Accounts receivable, net, decreased \$1,386,099 from December 31, 2019 to December 31, 2020 primarily due to the collection of requests that were pending from HUD and the U.S. Department of Labor for reimbursable expenditures in 2019. The collections from HUD came mainly from the Capital Fund and Choice Neighborhood programs. The collections from the U.S. Department of Labor came from the Opportunities for Youthbuild program.
- The Authority's restricted cash increased by \$23,334 at December 31, 2020. The increase is primarily the result of \$149,343 in unspent Housing Choice Voucher Cares funds which was offset by decreases in HAP reserves of \$126,651.
- Short term and long-term debt decreased \$1,305,000. The decrease is primarily the result of principal payment of \$250,000 and a \$1,055,000 defeasance being applied against the capital fund revenue bonds during 2020.
- The Authority's net pension liability decreased \$2,523,831 as the State of New Jersey issued a new report updating the PERS unfunded liability to all participants. Better investment assumptions and returns resulted in a reduced net pension liability.
- The Authority's net OPEB liability increased \$5,125,517 as a new report updating the OPEB unfunded liability to all participants was issued. Health care trend assumptions showing greater future liabilities when compared to the previous year resulted in an increased net OPEB liability.

MAJOR FACTORS AFFECTING THE STATEMENTS OF REVENUE, EXPENSES AND CHANGES IN NET POSITION

- Operating revenues increased by \$2,780,060 from \$31,767,828 in 2019 to \$34,547,888 in 2020. This is primarily the result of increases in HUD operating grants of \$84,566 and other revenues of \$3,611,589 which were offset by decreases tenant revenue of \$658,478 and other government grants of 257,617. The increase in other revenues was driven mainly by the receipt of Branch Village developer fees and the sale proceeds from McGuire Gardens. The decrease in tenant revenues was the result of the sale of McGuire Gardens and rental income no longer being collected from that site.
- Capital grants increased by \$713,974 to \$3,479,448 from the year ended December 31, 2019 as reimbursements from formula grants utilized for the current year increased.
- The decrease in utilities expense of \$194,217 from 2019 to 2020 is mainly due to decreases in occupied units as Branch Village and McGuire Gardens are no longer in service.

MAJOR FACTORS AFFECTING THE STATEMENTS OF REVENUE, EXPENSES AND CHANGES IN NET POSITION (continued)

- The variance indicating an increase of \$1,335,821 in administrative expenses from 2019 to 2020 is due, primarily to increases of \$192,165 in salaries, increases of \$124,458 in management fees, increase of \$77,785 in bookkeeping fees, increases in employee benefit contributions of \$624,299, increases in legal expenses of \$226,275 and increases in other administrative expenses of \$94,297.
- The increase of \$228,860 in protective services from 2019 is mainly due to an increase in employee benefit contributions of \$224,357 as additional security personnel were hired with benefits for the Authority's elderly sites.
- The increase of \$513,462 in insurance and general expenses from 2019 is primarily related to housing assistance payments to redevelopment properties of the component unit.
- Special items of \$2,734,930 show the net loss related to disposal of multiple sites due to RAD conversions.
- Housing assistance payments increased \$1,822,148 (14%). The Authority had a large increase in the amount of unit months leased in 2020 compared to 2019.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

As of December 31, 2020, the Authority had \$11,100,445 invested in capital assets as reflected in the following schedule, which represents a net decrease (addition, disposals and depreciation) of \$2,954,573 from the end of 2019.

			%
2020	2019	Change	Change
\$ 824,155	\$ 824,155	\$ -	0%
2,452,614	1,173,164	1,279,450	109%
85,928,228	155,299,908	(69,371,680)	(45%)

CAPITAL ASSETS AND DEBT ADMINISTRATION (continued)

The Authority's net capital assets decreased \$2,954,573, as the Authority had capital purchases totaling \$1,729,056, which was offset by depreciation expense of \$1,341,110. The Authority also had disposals of fixed assets and accumulated depreciation of \$70,018,293 and \$66,875,483, respectively. These disposals were related to the disposition of the Branch Village and McGuire Gardens that took place during 2020.

Debt Outstanding

The New Jersey Housing and Mortgage Financing Agency issued \$79,860,000 Capital Fund Program Revenue Bonds, 2004 Series A in 2004. The Authority, upon approval from the Housing and Urban Development's Washington D.C. office, joined 20 other New Jersey Housing Authorities in consideration of a portion of these proceeds or \$6.9 million.

The use of these funds was site improvements within two of the HACC's developments (Kennedy Towers and Branch Village). These funds were received December 23, 2004 and have a twenty-year repayment cycle. As of December 31, 2020, \$1,445,000 is still outstanding.

The current portion of the Authority's outstanding debt payable as of December 31, 2020 is \$255,000.

ECONOMIC FACTORS

Significant economic factors affecting the Authority are as follows:

- Federal funding of the Department of Housing and Urban Development
- HUD's Project Based Budgeting, Accounting, and Reporting Requirements
- Local redevelopment plans
- Local labor supply and demand, which can affect salary and wage rates
- Local Union Agreements and the subsequent execution
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income
- Inflationary pressure on utility rates, supplies and other costs

FINANCIAL CONTACT

This financial report is designed to provide our residents, the citizens of the City of Camden, New Jersey, all federal and state regulatory bodies, and any creditors with a general overview of the Authority's finances. If you have any questions regarding these financial statements or supplemental information, you may make inquiry by writing to: Housing Authority of City of Camden, 2021 Watson Street, 2nd Floor, Camden, New Jersey, 08105, Attention: Victor D. Figueroa, Executive Director.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Housing Authority of the City of Camden (the "Authority") is a governmental, public corporation created under federal and state housing laws as defined by State statute (N.J.S.A. 4A: 12A-1, et. Seq., the "Housing Authority Act") for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the City of Camden, New Jersey (the "City"). The Authority is responsible for operating certain low-rent housing programs in the City under programs administered by the U.S. Department of Housing and Urban Development ("HUD"). These programs provide housing for eligible families under the United States Housing Act of 1937, as amended.

The Authority is governed by a board of commissioners which is essentially autonomous but is responsible to HUD and the State of New Jersey Department of Community Affairs. An executive director is appointed by the Authority's board of commissioners to manage the day-to-day operations of the Authority.

B. Basis of Accounting / Financial Statement Presentation

The Authority's financial statements are prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP"). The Governmental Accounting Standards Board (GASB) is responsible for establishing GAAP for state and local governments through its pronouncements (Statements and Interpretations).

The programs of the Authority are organized as separate accounting entities. Each program is accounted for by a separate set of self-balancing accounts that comprise its assets, deferred outflows of resources, liabilities, deferred inflows of resources, net position (program equity), revenues, and expenses. The individual programs account for the governmental resources allocated to them for the purpose of carrying on specific programs in accordance with laws, regulations, or other restrictions, including those imposed by HUD. The programs of the Authority are combined and considered an enterprise fund. An enterprise fund is used to account for activities that are operated in a manner similar to those found in the private sector.

The Authority's enterprise fund is accounted for using the economic resources measurement focus and the accrual basis of accounting. Revenues, expenses, gains, and losses from assets and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place.

The Authority's financial statements are prepared in accordance with GASB 34, Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments, as amended ("GASB 34"). GASB 34 requires the basic financial statements to be prepared using the economic resources measurement focus and the accrual basis of accounting and requires the presentation of a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows. GASB 34 also requires the Authority to include Management's Discussion and Analysis as part of the Required Supplementary Information.

The Authority's primary source of non-exchange revenue relates to grants and subsidies. In accordance with GASB 33, Accounting and Financial Reporting for Non-exchange Transactions ("GASB 33"), grant and subsidy revenue are recognized at the time eligible program expenditures occur and/or the Authority has complied with the grant and subsidy requirements.

On January 30, 2008, HUD issued PIH Notice 2008-9 which requires that unused housing assistance payments ("HAP") under proprietary fund reporting should be reported as restricted net position, with the associated cash and investments also being reported as restricted. Any unused administrative fees should be reported as unrestricted net position, with the associated assets being reported on the financial data schedule as unrestricted.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Basis of Accounting / Financial Statement Presentation (continued)

Both administrative fee and HAP revenue continue to be recognized under the guidelines set forth in GASB 33. Accordingly, both the time and purpose restrictions as defined by GASB 33 are met when these funds are available and measurable, not when these funds are expended. The Section 8 Housing Choice Vouchers program is no longer a cost reimbursement grant; therefore, the Authority recognizes unspent administrative fee and HAP revenue in the reporting period as revenue for financial statement reporting.

In accordance with 2 CFR 200.305(b)(9), any investment income earned up to \$500 on these funds may be retained by the Authority. Amounts in excess of \$500 must be remitted annually to the Department of Health and Human Services, Payment Management System.

C. Reporting Entity

In accordance with GASB 61, The Financial Reporting Entity Omnibus - An Amendment of GASB Statement No. 14 and No. 34, the Authority's basic financial statements include those of the Authority and any component units. Component units are legally separate, tax-exempt organizations whose majority of officials are appointed by the primary government or the organization is fiscally dependent on the primary government and there is a potential for those organizations either to provide specific financial benefits to, or impose specific financial burdens on, the primary government. An organization has a financial benefit or burden relationship with the primary government if any one of the following conditions exist:

- 1. The primary government (Authority) is legally entitled to or can otherwise access the organization's resources.
- 2. The primary government is legally obligated or has otherwise assumed the obligation to finance the deficits of, or provide financial support to, the organization.
- 3. The primary government is obligated in some manner for the debt of the organization.

Based on the application of the above criteria, this report includes the following blended component units:

Watson Street Management and Development Corporation

Watson Street Management and Development Corporation ("WSMDC") was incorporated as a nonprofit 501(c)(3) corporation in the State of New Jersey in July, 2014.

Elba's Place LLC

Elba's Place LLC ("EP") was incorporated in the State of New Jersey as a limited liability company. EP operates an Adult Day Care facility and is owned and managed by WSMDC.

New Hope Property Management LLC

New Hope Property Management LLC ("NHPM") was incorporated in the State of New Jersey as a limited liability company. NHPM owns a three unit affordable housing project in the City.

Watson Street Assisted Living LLC

Watson Street Assisted Living LLC ("WSAL") was incorporated in the State of New Jersey as a limited liability company. WSAL operates an assisted living program and is owned and managed by WSMDC.

Additionally, based on the application of the above criteria, the Authority's financial statements are not included in any other reporting entity's financial statements.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Description of Programs

The Authority maintains its accounting records by program. A summary of the significant programs operated by the Authority is as follows:

Public and Indian Housing Program

The Public and Indian Housing Program is designed to provide low-cost housing within the City. Under this program, HUD provides funding via an annual contributions contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

Section 8 Housing Choice Vouchers

The Authority administers a program of rental assistance payments to private owners on behalf of eligible low-income families under Section 8 of the Housing and Urban Development Act of 1974. The program provides payments covering the difference between the maximum rental on a dwelling unit, as approved by HUD, and the amount of rent contribution by a participating family.

Public Housing Capital Fund Program

The purpose of the Public Housing Capital Fund Program is to provide another source of funding to cover the cost of physical and management improvements and rehabilitation on existing low-income housing and improving the central office facilities. Funding for this program is provided by grants from HUD.

Adult Day Care Program

The Authority operates an Adult Day Care Program called Elba's Place which supports veterans, elderly and disabled populations within the community. Elba's Place combines skilled services with extensive recreational, education, behavioral counseling and group programming to offer viable options to in-home, nursing home, or assisted living care.

Public and Indian Housing Family Self-Sufficiency Program

The purpose of the Public and Indian Housing Family Self-Sufficiency Program is to programmatically address the needs of public housing residents by providing supportive services, resident empowerment activities and/or assisting residents in becoming economically self-sufficient. The primary focus of the program is on a spectrum of services for families leading to homeownership.

Neighborhood Stabilization Program

The objectives of the Neighborhood Stabilization Program are to stabilize property values, arrest neighborhood decline, assist in preventing neighborhood blight, and stabilize communities across America hardest hit by residential foreclosures and abandonment. These objectives will be achieved through the purchase and redevelopment of foreclosed and abandoned homes and residential properties that will allow those properties to turn into useful, safe and sanitary housing.

Youthbuild Program

The Youthbuild Program provides funding assistance for a wide range of multi-disciplinary activities and services to assist economically disadvantaged youth. The opportunities are designed to help disadvantaged young adults who have dropped out of high school to obtain the education and employment skills necessary to achieve economic self-efficiency and develop leadership skills and a commitment to community development in low income communities. Another important objective of the Youthbuild Program is to expand the supply of permanent affordable housing for homeless persons and members of low income and very low income families. By giving disadvantaged young adults participating in the program meaningful on-site training experiences constructing or rehabilitating housing as a community service, they are helping to meet the housing needs of homeless and low income families in their community.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Description of Programs (continued)

Resident Opportunities and Supportive Services

The purpose of the Resident Opportunities and Supportive Services Program is to programmatically address the needs of public housing residents by providing supportive services, resident empowerment activities and/or assisting residents in becoming economically self-sufficient. The primary focus of the program is on a spectrum of services for families leading to homeownership.

Adult Education and Family Literacy State Grant Program

The Adult Education and Family Literacy State Grant program provides grants to eligible agencies to provide adult education and literacy services. These grants help adults become literate and obtain the knowledge and skills necessary for employment; obtain the educational skills necessary to become full partners in the educational development of their children; and complete a secondary school education.

Choice Neighborhood Planning Grants

The objective of the Choice Neighborhoods Planning Grants is to support the development of comprehensive neighborhood Transformation Plans. The Transformation Plan should integrate effective strategies to implement public and/or assisted housing revitalization, the coordination and design of supportive services, including educational opportunities for children, and neighborhood-level planning to improve a range of neighborhood assets. The Transformation Plan should be created as part of a collaborative planning process that involves neighborhood stakeholders and local governmental entities to build the necessary support to successfully implement the plan.

Jobs Plus Initiative Program

The Jobs Plus Initiative Program develops locally-based, job-driven approaches that increase earnings and advance employment outcomes through work readiness, employer linkages, job placement, educational advancement, technology skills, and financial literacy for residents of public housing. The place-based Jobs Plus program addresses poverty among public housing residents by incentivising and enabling employment through earned income disregards for working residents and a set of services designed to support work including employer linkages, job placement and counseling, educational advancement, and financial counseling. Ideally, these incentives will saturate the target public housing development, building a culture of work and making working residents the norm.

CARES Act Funding Programs

During the year ended December 31, 2020, the Authority was awarded CARES Act funding as part of the Public and Indian Housing and Section 8 Housing Choice Vouchers Programs. These funds are to be used to prevent, prepare for, and respond to the Coronavirus ("COVID-19"), as well as help the Authority maintain normal operations during the period impacted by COVID-19.

E. Use of Management Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets, deferred outflows of resources, liabilities and deferred inflows of resources, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for doubtful accounts, accrued expenses and net pension and OPEB liability, depreciable lives of properties and equipment, deferred inflows and outflows of resources, and contingencies. Actual results could differ significantly from these estimates.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

F. Cash and Cash Equivalents

New Jersey Authorities are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States, or the State of New Jersey, or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey Authorities.

The Authority is required to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey. N.J.S.A. 17:9-42 requires governmental units to deposit public funds only in public depositories located in New Jersey, when the funds are secured in accordance with the act.

HUD requires housing authorities to invest excess funds in obligations of the United States, Certificates of Deposit, or any other federally insured investment. HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority.

It is the Authority's policy to maintain collateralization in accordance with state and HUD requirements. For the Statement of Cash Flows, cash and cash equivalents include all cash balances and highly liquid investments with a maturity of three months or less at time of purchase.

G. Accounts Receivable, Net

Rents are due from tenants on the first day of each month. As a result, tenants accounts receivable balances primarily consist of rents past due and vacated tenants. An allowance for doubtful accounts is established to provide for all accounts, which may not be collected in the future for any reason. Collection losses on accounts receivable are charged against the allowance for doubtful accounts. Also included in accounts receivable are those amounts that tenants owe the Authority as payment for committing fraud or misrepresentation.

The Authority recognizes a receivable from HUD and other governmental agencies for amounts earned and billed but not received and for amounts unbilled, but earned as of year end.

H. Allowance for Doubtful Accounts

The Authority periodically reviews all accounts receivable to determine the amount, if any, that may be uncollectable. If it is determined that an account or accounts may be uncollectable, the Authority prepares an analysis of such accounts and records an appropriate allowance against such amounts.

I. Prepaid Expenses

Prepaid expenses represent amounts paid as of year-end that will benefit future operations.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

J. Capital Assets, Net

Capital assets are stated at cost. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Expenditures determined to represent additions or betterments are capitalized. Upon the sale or retirement of capital assets, the cost and related accumulated depreciation are eliminated from the accounts and any related gain or loss is reflected in the Statement of Revenues, Expenses and Changes in Net Position. Depreciation is calculated using the straight-line method based on the estimated useful lives of the following asset groups:

•	Buildings	40 Years
•	Site Improvements	15 Years
•	Furniture, Fixtures and Equipment	5-10 Years

The Authority has established a capitalization threshold of \$5,000.

K. Impairment of Long Lived Assets

The Authority evaluates events or changes in circumstances affecting long-lived assets to determine whether an impairment of its assets has occurred. If the Authority determines that a capital asset is impaired, and that the impairment is significant and other-than-temporary, then an impairment loss will be recorded in the Authority's financial statements. During the year ended December 31, 2020, there were no impairment losses incurred.

L. Notes Receivable

The Authority has utilized development funds in accordance with HUD guidelines to assist in the construction and redevelopment of numerous public housing developments through the issuance of mortgage notes. When preparing financial statements in accordance with GAAP, management is required to make estimates as to the collectability of such mortgage notes. When estimating collectability, management analyzes the value of the underlying mortgaged property, the property's ability to generate positive cash flow, and current economic trends and conditions. Management utilizes these estimates and judgments in connection with establishing an allowance for uncollectable amounts during an accounting period.

M. Inter-program Receivables and Payables

Inter-program receivables and payables are current, and are the result of the use of a common paymaster for shared costs of the Authority. Cash settlements are made periodically, and all interprogram balances net to zero. In accordance with GASB 34, inter-program receivables and payables are eliminated for financial statement purposes.

N. Accounts Payable and Accrued Liabilities

The Authority recognizes a liability for goods and services received but not paid for as of year-end. It also recognizes a liability for wages and fringe benefits related to services performed at year-end but not yet paid to employees or taxing authorities.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

O. Prepaid Rent

The Authority's prepaid rent primarily consists of the prepayment of rent by residents applicable to future periods.

P. Compensated Absences

Compensated absences represent amounts to which employees are entitled based on accumulated leave earned in accordance with the Authority's Personnel Policy. Employees may be compensated for accumulated vacation leave in the event of retirement or termination from service at the current salary. Annual vacation increases based on tenure, starting at twelve days for the first year of service and increasing up to thirty days. Employees' sick leave accumulates and employees may be compensated for sick leave at retirement at a rate of 65%, but no more than \$15,000 for non-union workers and \$5,000 for union workers.

Q. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the fiduciary net position of the Public Employees Retirement System ("PERS") and additions to/deductions from PERS's fiduciary net position have been determined on the same basis as they are reported by PERS. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

R. Other Post Employment Benefits

For purposes of measuring the net other post employment benefits ("OPEB") liability, deferred outflows of resources and deferred inflows of resources related to the net OPEB, and OPEB expense, and information about the fiduciary net position of the State Health Benefits Plan ("SHBP") and additions to/deductions from SHBP's fiduciary net position have been determined on the same basis as they are reported by SHBP. For this purpose, benefit payments are recognized when due and payable in accordance with the benefit terms.

S. Deferred Outflows of Resources and Deferred Inflows of Resources

In addition to assets, the statement of net position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element represents a consumption of net position that applies to a future period and so will not be recognized as an outflow of resources until that time.

In addition to liabilities, the statement of net position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element represents an acquisition of net position that applies to a future period and so will not be recognized as an inflow of resources until that time.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

T. Equity Classifications

Equity is classified as net position and displayed in three components:

<u>Net investment in capital assets</u> — Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

<u>Restricted net position</u> — Consists of resources with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

<u>Unrestricted net position</u> — All other resources that do not meet the definition of "restricted" or "net investment in capital assets."

U. Operating Revenues and Expenses

The Authority defines its operating revenues as income derived from charges to residents and others for services provided as well as government subsidies and grants used for operating purposes. The Authority receives annual operating subsidies from HUD, subject to limitations prescribed by HUD. Operating subsidies from HUD are recorded in according with GASB 33 and are accounted for as revenue. Other contributions from HUD that are for development and modernization of capital assets are reflected separately in the accompanying financial statements as capital grants.

Operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. The Authority classifies all other revenues and expenses as non-operating.

V. Taxes

The Authority is a unit of local government under the State of New Jersey law and is exempt from real estate, sales and income taxes by both the federal and state governments. However, the Authority will pay a payment in lieu of taxes to cover municipal services provided by the local government for certain properties owned throughout the City.

W. Budgets and Budgetary Accounting

The Authority is required by contractual agreements to adopt annual, appropriated operating budgets for all its programs receiving federal expenditure awards. All budgets are prepared on a HUD basis, which is materially consistent with GAAP. All appropriations lapse at HUD's program year end or at the end of grant periods.

Pursuant to N.J.S.A 40A:5A-10 and N.J.A.C. 5:31 the Authority is also required to submit an authority wide budget for each fiscal year to the Director of the Division of Local Government Services 60 days prior to the end of the fiscal year.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

X. Investment in Leased Property

As part of its development activities, the Authority routinely enters into ground lease agreements. Under terms of the agreements, the Authority leases land it owns to a third party and that party owns the improvements built on the land. Typically, the lease terms range from fifty (50) to ninetynine (99) years. These lease agreements (land only) are recorded as operating leases and will be accounted for as follows:

The leased property will be included near property, plant and equipment but separately identified on the Authority's Statement of Net Position (if material balance exists) as "Investment in Leased Property". Since land has an indefinite useful life, no depreciation will be charged on the property.

Rent is reported as income over the lease term as it becomes receivable according to the provisions of the lease. However, if the rentals vary from the straight-line basis, the Authority will recognize the income on a straight-line basis unless another systematic and rational basis is more representative of the time pattern in which the benefit from the leased property is diminished, in which case that basis will be used.

Upon substantial completion of the development agreement, if the fair value of the property is less than its cost or carrying amount, then a loss equal to that difference will be recognized at the inception of the lease.

Y. Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The Authority is a member of the New Jersey Public Housing Authorities Joint Insurance Fund ("JIF").

The JIF is both an insured and self-administered group of housing authorities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and workmen's compensation. The JIF will be self-sustaining through member premiums. There have been no significant reductions in insurance coverage. Settlement amounts have not exceeded insurance coverage for the previous three years.

Z. Economic Dependency

The Public and Indian Housing and Section 8 Housing Choice Vouchers Programs are economically dependent on receiving subsidies from HUD. These programs operate at a loss prior to receiving such subsidies.

NOTE 2. CASH AND CASH EQUIVALENTS

As of December 31, 2020, the Authority had funds on deposit in checking, savings and money market accounts. The carrying amount of the Authority's cash and cash equivalents (including restricted cash) was \$11,719,470 and the bank balances approximated \$12,824,099.

<u>Cash Category</u>	<u>Amount</u>
Unrestricted	\$ 10,609,107
Tenant security deposits	157,045
Restricted	953,318
Total cash and cash equivalents	\$ <u>11,719,470</u>

Of the bank balances, \$503,440 was covered by federal depository insurance and the remaining \$12,320,659 was collateralized with the pledging financial institution as of December 31, 2020.

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a formal policy for custodial credit risk. As of December 31, 2020, the Authority's bank balances were not exposed to custodial credit risk.

NOTE 3. ACCOUNTS RECEIVABLE, NET

Accounts receivable, net consists of the following as of December 31, 2020:

<u>Description</u>		<u>Amount</u>				
Accounts receivable - HUD	\$	936,288				
Accounts receivable - other governments		285,012				
Accounts receivable - tenants, net		64,350				
Accounts receivable - miscellaneous	_	134,272				
Total accounts receivable, net	\$	1,419,922				

Accounts Receivable - HUD

As of December 31, 2020, accounts receivable - HUD consisted of subsidy amounts due from HUD as part of the Authority's Public Housing Capital Fund, Resident Opportunity and Supportive Services, Jobs Plus Initiative and Choice Neighborhood Planning Grant Programs. Management estimates the amounts to be fully collectible and therefore no allowance for doubtful accounts has been established.

Accounts Receivable - Other Governments

Accounts receivable - other governments represents amounts owed to the Authority by other federal agencies and state and local governments for reimbursements of grant expenditures and housing assistance payments from portable tenants. Management estimates the amounts to be fully collectible and therefore no allowance for doubtful accounts has been established.

Accounts Receivable - Tenants, Net

Tenant accounts receivable represents amounts owed to the Authority by tenants for outstanding rent. The balance is shown net of an allowance for doubtful accounts of \$151,120.

Accounts Receivable - Miscellaneous

Miscellaneous receivables consists primarily of amounts due from other properties for operating subsidies, for contract fees owed and for reimbursement from private healthcare providers in the assisted living program. The balance is shown net of an allowance for doubtful accounts of \$65,755.

NOTE 4. RESTRICTED DEPOSITS

As of December 31, 2020, restricted deposits consisted of the following:

Cash Category	<u>Amount</u>			
Housing assistance payment reserves	\$	427,167		
Family Self-Sufficiency escrows		18,718		
Capital Fund Revenue Bond proceeds		3,440		
Neighborhood Stabilization Program escrows		262,729		
Water and Energy Savings Corporation escrows		91,921		
CARES Act funds		149,343		
Tenant security deposits		157,045		
Total restricted deposits	\$	1,110,363		

Housing assistance payment reserves are restricted for use only in the Section 8 Housing Choice Vouchers Program for future housing assistance payments.

Family Self-Sufficiency ("FSS") Program escrows are restricted for use in the Section 8 Housing Choice Vouchers Program by FSS program participants.

Capital Fund Program Revenue Bond proceeds consist of unspent proceeds from the 2004 Series A Capital Fund Program Revenue Bonds and are restricted for certain capital improvements in accordance with the Authority's approved annual plan.

Neighborhood Stabilization Program escrows are restricted for modernization and development related to the redevelopment of abandoned or foreclosed homes or residential properties.

Water and Energy Savings Corporation escrows are restricted to provide funding for the Authority to lease equipment for water and energy renovations.

CARES Act funds are restricted to be used on expenditures directly related to COVID-19. These funds are to be used to prevent, prepare for and respond to COVID-19, as well as help the Authority maintain normal operations during the period impacted by COVID-19.

Tenant security deposits represent amounts held by the Authority on behalf of tenants participating in the Public and Indian Housing Program. Upon termination from the program, the tenant is due amounts deposited plus interest earned less any amounts charged for damage to the unit.

NOTE 5. NOTES RECEIVABLE

The Authority has entered into several redevelopment and revitalization agreements with selected developers to provide affordable housing in accordance with the HUD guidelines. The Authority provided loans to developers for the purpose of constructing affordable housing units. Outstanding notes receivable and accrued interest as of December 31, 2020 consisted of the following:

<u>Description</u>	<u>Amount</u>
The Authority issued a mortgage loan to Chelton Terrace Urban Renewal Associates, L.P. to facilitate the construction of new buildings and building improvements. The principal balance was \$2,718,041 with interest accruing at the Wall Street Journal prime rate of 3.25%. The loan matures on August 26, 2049 and is secured by real property and any ensuing structures. Accrued interest included as part of the loan balance totaled \$2,090,260 as of December 31, 2020.	\$ 4,808,301

NOTE 6. CAPITAL ASSETS, NET

The following is a summary of the changes in capital assets during the year ended December 31, 2020:

<u>Description</u>	December 31, <u>2019</u>	<u>Additions</u>	Dispositions	<u>Transfers</u>	December 31, <u>2020</u>
<u>Non-depreciable:</u> Land	\$ 824,155	\$ -	\$ - :	\$ -	\$ 824,155
Construction in progress	1,173,164	1,479,159	(199,709)		2,452,614
Subtotal	1,997,319	1,479,159	(199,709)		3,276,769
<u>Depreciable:</u> Buildings Furniture and equipment Subtotal	155,299,908 1,149,054 156,448,962	249,897 249,897	(69,371,680) (646,613) (70,018,293)		85,928,228 752,338 86,680,566
Less: accumulated depreciation	144,391,263	1,341,110	(66,875,483)	-	78,856,890
Net capital assets	\$ <u>14,055,018</u> S	\$ <u>387,946</u>	\$ <u>(3,342,519)</u>	\$	\$ <u>11,100,445</u>

Depreciation expense for the year ended December 31, 2020 totaled \$1,341,110.

NOTE 7. ACCOUNTS PAYABLE

As of December 31, 2020, accounts payable totaled \$1,058,064 and consisted of accounts payable - vendors. Accounts payable - vendors represents the amounts payable to contractors and vendors for materials received or services rendered.

NOTE 8. BONDS PAYABLE

During 2004, the Authority entered into a capital fund leveraging pool. The New Jersey Housing and Mortgage Finance Agency issued tax exempt, twenty year Capital Fund Program Revenue Bonds, 2004 Series A on December 23, 2004 and maturing in November, 2025. The Authority's share of the funds from the bond issue pool amounted to \$6,935,000. Interest accrues at 4.416% and is payable semi-annually with principal on May 1st and November 1st. Repayment of the funds shall be paid solely from capital fund allocations received by the Authority from HUD. Outstanding principal balance totaled \$1,445,000 as of December 31, 2020. The current portion of long-term debt totaled \$255,000.

Annual debt service for principal and interest over the next six years is as follows:

Year	,	Principal		Interest	Total			
2021	\$	255,000	\$	64,978	\$	319,978		
2022	·	275,000		52,758		327,758		
2023		290,000		39,598		329,598		
2024		305,000		25,851		330,851		
2025		320,000	_	11,398		331,398		
	\$	1,445,000	\$	194,583_	\$	1,639,583		

NOTE 9. NON-CURRENT LIABILITIES

Non-current liabilities activity for the year ended December 31, 2020 consisted of the following:

<u>Description</u>	-	December 31, <u>2019</u>		Additions		Payments/ Retirements]	December 31, <u>2020</u>	_	Amounts due ithin one year
Bonds payable	\$	2,750,000	\$	_	\$	(1,305,000)	\$	1,445,000	\$	255,000

Total non-current liabilities	\$_	28,422,019	\$_	5,512,673	\$_	(4,163,782)	\$_	29,770,910	\$_	498,032

NOTE 10. PENSION PLAN

A. Plan Description

The PERS is a cost-sharing multiple employer defined benefit pension plan administered by the State of New Jersey, Division of Pensions and Benefits (the "Division"). For additional information about PERS, please refer to the Division's Comprehensive Annual Financial Report, which can be found at https://www.state.nj.us/treasury/pensions/annual-reports.shtml.

NOTE 10. PENSION PLAN (continued)

B. Benefits

The vesting and benefit provisions are set by N.J.S.A. 43:15A. PERS provides retirement, death and disability benefits. All benefits vest after ten years of service. The following represents the membership tiers for PERS:

- 1. Members who were enrolled prior to July 1, 2007
- 2. Members who were eligible to enroll on or after July 1, 2007 and prior to November 2, 2008
- 3. Members who were eligible to enroll on or after November 2, 2008 and prior to May 22, 2010
- 4. Members who were eligible to enroll on or after May 22, 2010 and prior to June 28, 2011
- 5. Members who were eligible to enroll on or after June 28, 2011

Service retirement benefits of 1/55th of final average salary for each year of service credit is available to tiers 1 and 2 members upon reaching age 60 and to tier 3 members upon reaching age 62. Service retirement benefits of 1/60th of final average salary for each year of service credit is available to tier 4 members upon reaching age 62 and tier 5 members upon reaching age 65.

Early retirement benefits are available to tiers one and two before reaching age 60, tiers 3 and 4 before age 62 with 25 years or more of service credit and tier 5 with 30 or more years of service credit before age 65. Benefits are reduced by a fraction of a percent for each month a member retires prior to the age at which a member can receive an unreduced benefit from age 55 to age 60 if they have at least 25 years of service. Deferred retirement is available to members who have at least 10 years of service credit and have not reached the service retirement age for the respective tier.

C. Contributions

The contribution policy for PERS is set by N.J.S.A. 43:15A and requires contributions by all active members and contributing employers. State legislation has modified the amount that is contributed by the State. The State's pension contribution is based on an actuarially determined amount which includes the employer portion of the normal cost and an amortization of the unfunded accrued liability. Funding for noncontributory group insurance benefits is based on actual claims paid. For fiscal year 2020, the State's pension contribution was less than the actuarial determined amount.

The local employers' contribution amounts are based on the actuarially determined rate which includes the normal cost and unfunded accrued liability. Chapter 19, P.L. 2009 provided an option for local employers of PERS to contribute 50% of the normal and accrued liability contribution amounts certified for payments due in State fiscal year 2009. Such employers will be credited with full payment and any such amounts will not be included in their unfunded liability. The actuaries will determine the unfunded liability of those retirement systems, by employer, for the reduced normal and accrued liability contributions provided under this law. This unfunded liability will be paid by the employer in level annual payments over a period of 15 years beginning with the payments due in the fiscal year ended June 30, 2012 and will be adjusted by the rate of return on the actuarial value of the assets.

D. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions

At December 31, 2020, the Authority reported a liability of \$6,265,052, for its proportionate share of the net pension liability. The net pension liability was measured as of July 1, 2019, and rolled forward to June 30, 2020.

NOTE 10. PENSION PLAN (continued)

D. Pension Liabilities, Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions (continued)

For the year ended December 31, 2020, the Authority recognized pension benefit of \$937,181. At December 31, 2020, the Authority reported deferred outflows of resources and deferred inflows of resources from the following sources.

		Deferred		Deferred
	(Outflows of		Inflows of
]	Resources		Resources
Changes of Assumptions	\$	203,245	\$	2,623,237
Changes in Proportion		54,438		2,522,925
Differences between expected and actual experience		114,076		22,156
Net differences between actual and projected				
earnings on pension plan investments		214,145	•	
Total	\$	585,904	\$_	5,168,318

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

Year ending December 31:		<u>Amount</u>
2021	\$	(1,704,157)
2022		(1,553,673)
2023		(887,884)
2024		(359,046)
2025	_	(77,654)
	\$	(4,582,414)

E. Actuarial Assumptions

The collective total pension liability at the June 30, 2020 measurement date was determined by an actuarial valuation as of July 1, 2019, which was rolled forward to June 30, 2020. This actuarial valuation used the following assumptions.

Inflation Rate: Price Wage	2.75% 3.25%
Salary increases: Through 2026	2.00 - 6.00% based on years of service
Thereafter	3.00 - 7.00% based on years of service
Investment rate of return	7.00%

NOTE 10. PENSION PLAN (continued)

E. Actuarial Assumptions (continued)

Pre-mortality rates were based on the Pub-2010 General Below-Median Income Employee mortality table with an 82.2% adjustment for males and 101.4% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Post-retirement mortality rates were based on the Pub-2010 General Below-Median Income Healthy Retiree mortality table with a 91.4% adjustment for males and 99.7% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Disability retirement rates used to value disabled retirees were based on the Pub-2010 Non-Safety Disabled Retiree mortality table with a 127.7% adjustment for males and 117.2% adjustment for females, and with future improvement from the base year of 2010 on a generational basis. Mortality improvement is based on Scale MP-2020.

The actuarial adjustments used in the July 1, 2019 valuation were based on the results of an actuarial experience study for the period July 1, 2014 to June 30, 2018.

F. Long-term Expected Rate of Return

The long-term expected rate of return is determined by the State Treasurer, after consultation with the Directors of the Division of Investments and the Division of Pensions and Benefits, the board of trustees and the actuaries. Best estimates of arithmetic real rates of return for each major asset class, including the PERS's target asset allocation as of June 30, 2020, are summarized in the following table:

Asset Class	Target Allocation	Long-Term Expected <u>Rate of Return</u>
U.S. Equity	27.00%	7.71%
Non-U.S. Developed Market Equity	13.50%	8.57%
Emerging Markets Equity	5.50%	10.23%
Private Equity	13.00%	11,42%
Real Assets	3.00%	9.73%
Real Estate	8.00%	9.56%
High Yield	2.00%	5.95%
Private Credit	8.00%	7.59%
Investment Grade Credit	8.00%	2.67%
Cash Equivalents	4.00%	0.50%
U.S. Treasuries	5.00%	1.94%
Risk Mitigation Strategies	3.00%	3.40%

G. Discount Rate

The discount rate used to measure the total pension liability was 7.00% as of June 30, 2020. The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current member contribution rates and that contributions from employers and the nonemployer contributing entity will be based on 100% of the actuarially determined contributions for the local employers. Based on those assumptions, the plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on plan investments was applied to all projected benefit payments to determine the total pension liability.

NOTE 10. PENSION PLAN (continued)

H. Sensitivity of the Authority's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net pension liability calculated using the discount rate of 7.00 percent, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (6.00 percent) or 1 percentage point higher (8.00 percent) than the current rate.

•	1% Decrease	Γ	iscount Rate	1% Increase
	<u>(6.00%)</u>		<u>(7.00%)</u>	<u>(8.00%)</u>
Authority's proportionate share of				
the net pension liability	\$ 7,948,672	\$	6,265,052	\$ 4,927,522

NOTE 11. OTHER POST-RETIREMENT BENEFITS PLAN

A. Plan Description

The State Health Benefit Local Government Retired Employees Plan ("SHBP") is a cost-sharing multiple-employer defined benefit OPEB plan administered by the State of New Jersey, Division of Pensions and Benefits (the "Division"). It covers employees of local government employers that have adopted a resolution to participate in the SHBP. For additional information about SHBP, please refer to the Division's annual financial statements, which can be found at https://www.state.nj.us/treasury/pensions/financial-reports.shtml.

B. Benefits

SHBP provides medical and prescription drug to retirees and their covered dependents of the employers. Under Chapter 88, local employers elect to provide benefit coverage based on the eligibility rules and regulations promulgated by the State Health Benefits Commission. Chapter 48 allows local employers to establish their own age and service eligibility for employer paid health benefits coverage for retired employees. Under Chapter 48, the employer may assume the cost of postretirement medical coverage for employees and their dependents who: 1) retired on a disability pension; or 2) retired with 25 or more years of services credit in a State of locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 3) retired and reached the age of 65 with 25 or more years of service credit in a State or locally administered retirement system and a period of service of up to 25 years with the employer at the time of retirement as established by the employer; or 4) retired and reached age 62 with at least 15 years of service with the employer. Further, the law provides that the employer paid obligations for retiree coverage may be determined by means of a collective negotiations agreement.

Pursuant to Chapter 78, P.L., 2011, future retirees eligible for postretirement medical coverage who have less than 20 years of creditable service on June 28, 2011 will be required to pay a percentage of the cost of their health care coverage in retirement provided they retire with 25 or more years of pension service credit. The percentage of the premium for which the retiree will be responsible will be determined based on the retiree's annual retirement benefit and level of coverage.

C. OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

At December 31, 2020, the Authority reported a liability of \$21,356,828, for its proportionate share of the net OPEB liability. The net OPEB liability was measured as of June 30, 2019 and rolled forward to June 30, 2020.

NOTE 11. OTHER POST-RETIREMENT BENEFITS PLAN (continued)

C. OPEB Liabilities, OPEB Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB (continued)

For the year ended December 31, 2020, the Authority recognized OPEB benefit of \$1,315,702. At December 31, 2020, the Authority reported deferred outflows of resources and deferred inflows of resources from the following sources.

	Deferred			Deferred	
		Outflows of	Inflows of		
		Resources		Resources	
Changes of Assumptions	\$	3,194,309	\$	4,749,429	
Changes in Proportion		-		5,445,587	
Differences between expected and actual experience		562,522		3,977,040	
Net differences between projected and actual investment earnings on OPEB plan investments		13,563			
Contributions paid subsequent to the measurement date	_	788,797		p.	
Total	\$_	4,559,191	\$_	14,172,056	

Other amounts reported as deferred outflows of resources and deferred inflows of resources related to OPEB will be recognized in OPEB expense as follows:

Year ending December 31:	<u>Amount</u>
2021	\$ (2,226,746)
2022	(2,228,765)
2023	(2,232,028)
2024	(2,235,010)
2025	(1,523,993)
Thereafter	 833,677
	\$ (9,612,865)

D. Actuarial Assumptions

The total OPEB liability for the June 30, 2020 measurement date was determined by an actuarial valuation as of June 30, 2019, which was rolled forward to June 30, 2020. This actuarial valuation used the following assumptions:

Inflation Rate	2.50%	
Salary increases:		
Through 2026	2.00 to 6.00%	
	based on years of service	
Thereafter	3.00 to 7.00%	
	based on years of service	•

Mortality rates were based on the Pub-2010 General classification headcount weighted mortality with fully generational mortality improvement projections from the central year using the MP-2020 scale.

NOTE 11. OTHER POST-RETIREMENT BENEFITS PLAN (continued)

D. Actuarial Assumptions (continued)

Certain actuarial assumptions used in the July 1, 2019 valuation were based on the results of the PERS experience studies prepared for July 1, 2014 to June 30, 2018. 100% of active members are considered to participate in the Plan upon retirement.

E. Discount Rate

The discount rate used to measure the total OPEB liability was 2.21% as of June 30, 2020. This represents the municipal bond return rate as chosen by the State. The source is the Bond Buyer Go 20-Bond Municipal Bond Index, which includes tax-exempt general obligation municipal bonds with an average rating of AA/Aa or higher. As the long-term rate of return is less than the municipal bond rate, it is not considered in the calculation of the discount rate, rather the discount rate is set at the municipal bond rate.

F. Sensitivity of the Authority's Proportionate Share of the Net OPEB Liability to Changes in the Discount Rate

The following presents the Authority's proportionate share of the net OPEB liability calculated using the discount rate of 2.21%, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1 percentage point lower (1.21%) or 1 percentage point higher (3.21%) than the current rate.

	1% Decrease	Discount Rate	1% Increase
	(1.21%)	(2.21%)	<u>(3.21%)</u>
Authority's proportionate share of the net OPEB liability	\$ <u>25,248,283</u>	\$ <u>21,356,828</u>	\$ <u>18,276,388</u>

G. Health Care Trend Assumptions

For pre-Medicare medical benefits, the trend rate is initially 5.6% and decreases to a 4.5% long-term trend rate after seven years. For post-65 medical benefits, the actual fully-insured Medicare Advantage trend rates for fiscal year 2021 through 2022 are reflected. The rates used for 2023 and 2024 are 21.83% and 18.53%, respectively, trending to 4.5% for all future years. For prescription drug benefits, the initial trend rate is 7.0% and decreases to a 4.5% long-term trend rate after seven years.

H. Sensitivity of the Authority's Proportionate Share of the Net OPEB Liability to Changes in the Health Care Trend Rate

The following presents the Authority's proportionate share of the net OPEB liability calculated using the healthcare trend rate as disclosed above, as well as what the Authority's proportionate share of the net pension liability would be if it were calculated using a healthcare trend rate that is 1 percentage point lower or 1 percentage point higher than the current rate.

	1% Decrease	Healthcare Cost <u>Trend Rate</u> <u>1% Increas</u>			
Authority's proportionate share of the net OPEB liability	\$ <u>17,672,797</u>	\$ <u>21,356,828</u>	\$ <u>26,181,117</u>		

NOTE 12. RESTRICTED NET POSITION

Restricted net position consists of the following at December 31, 2020:

Description	:	<u>Amount</u>
Housing assistance payment reserves	\$	427,167
Capital Fund Program Revenue Bond proceeds		3,440
Neighborhood Stabilization Program escrows		262,729
Water and Energy Savings Corporation escrows		91,921
Hope VI mortgage loan and interest reserves	_2	20,300,231
Total restricted net position	\$ <u>_</u> 2	21,085,488

Housing assistance payment reserves are restricted for use only in the Section 8 Housing Choice Vouchers Program for future housing assistance payments.

Capital Fund Program Revenue Bond proceeds consist of unspent proceeds from the 2004 Series A Capital Fund Program Revenue Bonds and are restricted for certain capital improvements in accordance with the Authority's approved annual plan.

Neighborhood Stabilization Program escrows are restricted for modernization and development related to the redevelopment of abandoned or foreclosed homes or residential properties.

Water and Energy Savings Corporation escrows are restricted to provide funding for the Authority to lease equipment for water and energy renovations.

Hope VI mortgage loan and interest reserves are restricted for use in the Hope VI program upon collection of the loans and the satisfaction of regulatory requirements.

NOTE 13. GROUND LEASE AGREEMENTS

As of December 31, 2020, the Authority has entered into nine ground leases with selected developers in furtherance of their redevelopment objectives. In accordance with GAAP, these leases are classified as operating leases which expire over various periods from 90 to 99 years.

The leases are summarized as follows:

	Settlement	Lease	Expiration	Lease
<u>Development</u>	<u>Date</u>	<u>Term</u>	<u>Date</u>	<u>Price</u>
Chelton Terrace Phase 2	08/26/2004	99 years	08/25/2103	\$1.00
Roosevelt Manor Phase 5	12/21/2007	99 years	12/20/2106	\$1.00
Roosevelt Manor Phase 7	02/26/2008	90 years	02/26/2098	\$1.00
Roosevelt Manor Phases 9&10	07/01/2009	99 years	06/30/2108	\$1.00
Roosevelt Manor Phase 12	05/09/2008	90 years	05/09/2098	\$1.00
Branch Village Phase 2	09/13/2010	90 years	09/12/2100	\$1.00
Westfield Acres Phase 1	12/27/2001	99 years	12/27/2100	\$1.00
Baldwin's Run Phase 9	03/21/2006	99 years	03/21/2105	\$1.00
Branch Village Midrise	11/22/2016	99 years	11/30/2115	\$100.00

The Authority is the lessor of dwelling units mainly to low-income residents. The rents under the leases are determined generally by the resident's income as adjusted for eligible deductions regulated by HUD, although the resident may opt for a flat rent. Leases may be cancelled by the lessee at any time. The Authority may cancel the lease only for cause.

NOTE 13. GROUND LEASE AGREEMENTS (continued)

Revenues associated with these leases are recorded in the financial statements and schedules as "Tenant Revenue". Tenant Revenue per dwelling unit generally remains consistent from year to year, but is affected by general economic conditions which impact personal income and local job availability.

NOTE 15. SPECIAL ITEMS

Disposition of Capital Assets

On January 7, 2015, the Authority received approval from HUD to dispose of AMP 002 Branch Village due to unsuitable housing conditions. The Authority, after demolition, plans to use the property on which the development was located for the development of mixed income, mixed-finance property. The Authority recorded a \$180,347 loss on disposition of the capital assets for the year ended December 31, 2020. As part of the disposal, the Authority received a bond defeasement, recognized as a gain, totaling \$1,055,000 and transferred \$75,414 of the unpaid bond debt to AMP 016 Kennedy Towers, AMP 017 Westfield Towers, and AMP 018 Mickle Towers.

The Authority sold AMP 006 McGuire Gardens to McGuire Preservation Urban Renewal, LLC. The Authority recorded a \$2,872,338 loss on disposition of the capital assets for the year ended December 31, 2020. The Blended Component Unit, WSMDC recorded an acquisition fee related to the sale in the amount of \$1,506,608, which is included in other revenue for the year ended December 31, 2020. As part of the disposal, the Authority transferred \$177,290 of the unpaid bond debt to AMP 016 Kennedy Towers, AMP 017 Westfield Towers, and AMP 018 Mickle Towers.

Overpayment of HUD Operating Funds

On January 13, 2020, the Authority received correspondence from HUD requesting a remittance of HUD Operating funds totaling \$484,541, due to overpayment received by the Authority during the year ended December 31, 2019.

NOTE 16. CONTINGENCIES

The Authority receives financial assistance from HUD in the form of grants and subsidies. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditure of funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by HUD. As a result of these audits, costs previously reimbursed could be disallowed and require payments to HUD. As of December 31, 2020, the Authority estimates that no material liabilities will result from such audits.

NOTE 17. VULNERABILITY - IMPACT OF COVID-19

The severity of the impact of COVID-19 on the Authority's operations will depend on a number of factors, including, but not limited to, the duration and severity of the pandemic and the extent and severity of the impact on the Authority's tenants and borrowers, all of which are uncertain and cannot be predicted. The Authority's future results could be adversely impacted by delays in rent and loan payment collections. Management is unable to predict with absolute certainty the impact of COVID-19 on its financial condition, results of operations or cash flows.

NOTE 18. SUBSEQUENT EVENTS

Events that occur after the financial statement date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the financial statement date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes to the financial statements. Subsequent events have been evaluated through March 21, 2022, which is the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners of the Housing Authority of the City of Camden:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Housing Authority of the City of Camden (the "Authority") which comprise the statement of net position as of December 31, 2020, and the related statements of revenues, expenses and changes in net position, and cash flows for the year then ended and the related notes to the financial statements, which collectively comprise the Authority's financial statements, and have issued our report thereon dated March 21, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Authority's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

1433 Hooper Avenue, Suite 329, Toms River, New Jersey 08753 www.novoco.com 1 732.503.4257

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND STATE OF NEW JERSEY OMB CIRCULAR 15-08

To the Board of Commissioners of the Housing Authority of the City of Camden:

Report on Compliance for Each Major Federal Program

We have audited the Housing Authority of the City of Camden's (the "Authority") compliance with the types of compliance requirements described in the OMB Compliance Supplement and the State of New Jersey OMB Circular 15-08 that could have a direct and material effect on each of the Authority's major federal programs for the year ended December 31, 2020. The Authority's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

<u>Auditors' Responsibility</u>

Our responsibility is to express an opinion on compliance for each of the Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 *U.S. Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance), and the State of New Jersey OMB Circular 15-08, Single Audit Policy for Recipients of Federal Grants, State Grants and State Aid. Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Authority's compliance.

Opinion on Each Major Federal Program

In our opinion, the Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2020.

1433 Hooper Avenue, Suite 329, Toms River, New Jersey 08753 www.novoco.com | 1 732.503.4257

Report on Internal Control Over Compliance

Management of the Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the State of New Jersey OMB Circular 15-08. Accordingly, this report is not suitable for any other purpose.

HOUSING AUTHORITY OF THE CITY OF CAMDEN NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2020

NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal grant activity of the Authority under programs of the federal government for the year ended December 31, 2020. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and State of New Jersey OMB Circular 15-08. Because the Schedule presents only a selected portion of operations of the Authority, it is not intended to and does not present the net position, changes in net position or cash flows of the Authority. Therefore, some amounts presented in the Schedule may differ from amounts presented in, or used in the preparation of the financial statements.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the principles contained in the Uniform Guidance and the State of New Jersey OMB Circular 15-08, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Pass-through entity identifying numbers are presented where available.

NOTE 3. INDIRECT COST RATE

The Authority has not elected to use the ten percent de minimis indirect cost rate allowed under the Uniform Guidance.
